Grading Rubric for Technical Content
(ABET Outcome J - Knowledge of Contemporary Issues)

Presenter Name: _____   **Presenter Major (CS, CPE, EE):** _____

Presentation Topic: _____

CATEGORY	Excellent-4	Good-3	Satisfactory-2	Needs Improvement-1	Score
Content Accuracy	All content throughout the presentation is accurate. There are no factual errors.	Most of the content is accurate but there is one piece of information that seems inaccurate.	The content is generally accurate, but one piece of information is clearly inaccurate.	The content is confusing or contains more than one factual error.	
Content Depth	The material presented is sufficiently detailed to enable full understanding of the technical problem and the challenges in solving it.	The material presented is almost sufficiently detailed to enable full understanding of the technical problem and challenges in solving it. Only 1-2 areas were not described in sufficient detail.	The material presented only contains enough detail to enable a partial understanding of the technical problem and challenges in solving it.	Audience members were unable to appreciate the technical problems due to the limited detail presented.	
Content Timeliness	All content presented focused on current issues in the field of network security or privacy (within the past 3 years). Any older content was brief and provided only for historical context.	Most content presented, with the exception of 1 section, focused on current issues in the field of network security or privacy (within the past 3 years).	Most content presented, with the exception of 2 sections, focused on current issues in the field of network security or privacy (within the past 3 years).	All content presented related to old issues in the field of network security or privacy that have since been solved or rendered unimportant due to technological change.	
Content Approval	Presentation topic approved in advance			Presentation topic not approved in advance	
Slide Submission	Presentation slides submitted in advance of presentation			Presentation slides not submitted in advance of presentation
